A photograph of an outdoor terrace. In the foreground, there is a paved area with large, dark grey rectangular stones. A large, dark shadow of a table and chairs is cast onto this area from the right. Beyond the paving is a well-maintained green lawn. On the left side of the lawn, there is a wooden bench with a slatted back and armrests. In the center of the lawn, further back, is another wooden bench, similar in style. The background is a tall, light-colored stone wall. A small, thin tree stands near the base of the wall. The scene is brightly lit, suggesting a sunny day.
